# Montebello™

## Rustic Charm

Montebello™ log siding wall system has all the distinctive warmth, rustic style and beauty of log siding with the strength and durability of vinyl.

Montebello™'s low gloss natural wood grain appearance has been built to last as the siding won't dent, crack or split. As well, Montebello™ resists mold, rot and mildew and incorporates **Perform Guard™\*** patented foam additive for insect and termite resistance.

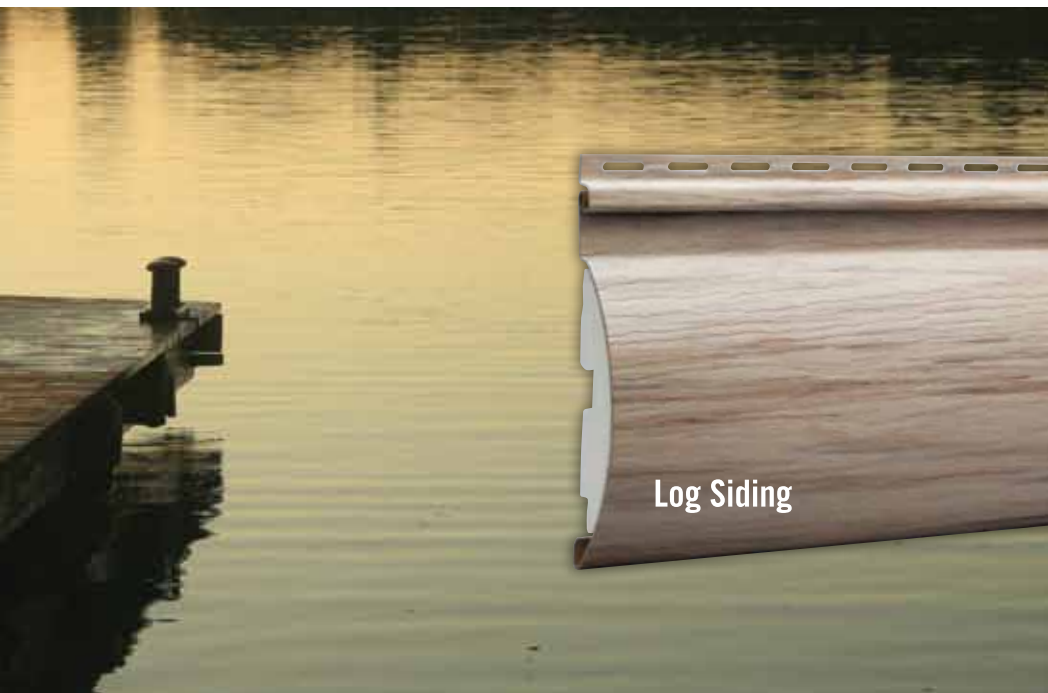

Montebello™ is the low maintenance alternative to real wood – no painting, no staining and no wood preservatives required means more time to enjoy!

**Insulated Premium thickness** adds comfort to your home.

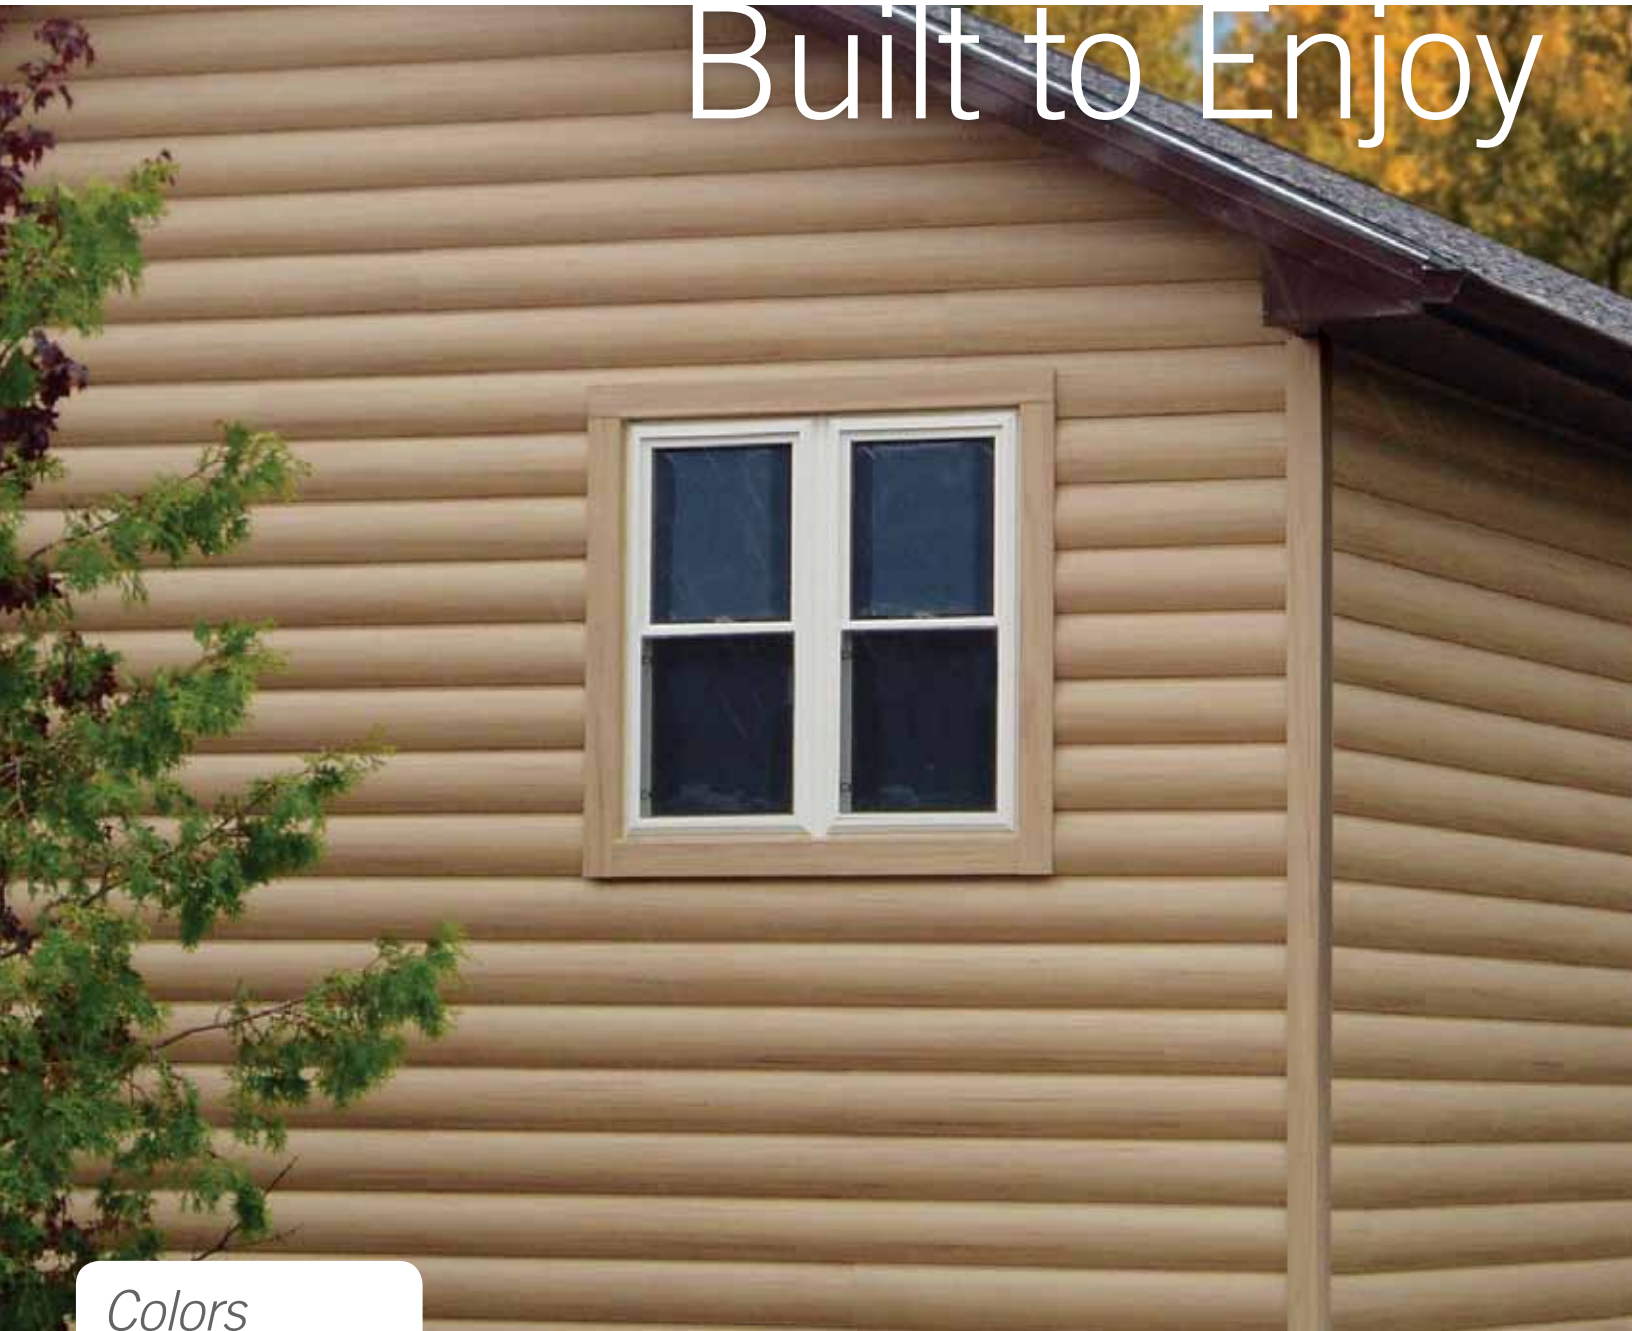

**Precisely contoured foam underlayment** adds rigidity and superior impact resistance.

**LineLock™ panel locking system** locks panels together for greater rigidity and stability on the wall.

**Ultra-Vinyl™ UV vinyl technology** guarantees superior weatherability and color retention.
